La Française Lux-Inflection Point Carbon Impact Global distinguished with FNG-Label

La Française, an international asset management group with assets under management in excess of €51 billion and a recognized forward looking carbon impact methodology, developed by the group's integrated sustainable investment research center, is proud to announce that La Française Lux-Inflection Point Carbon Impact Global has received the Forum Nachhaltige Geldanlagen (FNG) two-star Label for sustainable mutual funds, valid for the year 2021.

The FNG-Label is the quality standard for sustainable investments on the German-speaking financial markets: Germany, Austria, Liechtenstein and Switzerland. It was launched in 2015 after a three-year development process involving key stakeholders. The sustainability certification must be renewed annually.

Successfully certified funds pursue a stringent and transparent sustainability approach, the application of which has been checked by the independent auditor University of Hamburg.

The quality standard comprises the following minimum requirements:

- Transparent and easy-to-understand presentation of the fund's sustainability strategy in the context of the Eurosif Transparency Code and the FNG Sustainability Profile
- Exclusion of armaments and weapons
- Exclusion of nuclear power (including uranium mining)
- Exclusion of coal (mining and significant power generation)
- Exclusion of fracking and oil sands
- Exclusion in cases of systematically and / or severe violation of the principles of the UN Global Compact
- The fund's entire portfolio is checked against sustainability criteria (social and environmental responsibility, good corporate governance, United Nations Sustainable Development Goals or others).

La Française Lux-Inflection Point Carbon Impact Global was awarded two out of three possible stars for its particularly ambitious and comprehensive sustainability strategy, which gained it additional points in the areas of institutional credibility, product standards, and selection and dialogue strategies.

La Française LUX – Inflection Point Carbon Impact Global: *The fund aims to contribute to the transition to a low carbon economy while achieving long-term capital growth*

Laurent Jacquier-Laforge, La Française Global Head of Sustainable Investing, concluded, « The FNG label is in our opinion one of the most selective that exist today and we are proud that our investment approach has been recognized with the two-star label. The FNG-Label and French SRI Label, also awarded to the fund, attest to the quality of the fund's sustainability

strategy and will provide guidance in the search for solid, professionally managed sustainability funds.»

About La Française

Environmental and societal challenges are opportunities to reconsider the future. Identifying drivers of change and understanding how they will fashion global growth and ultimately influence long-term financial performance is at the heart of La Française's mission. The group's forward-looking investment strategy is built upon this conviction.

Organized around two business lines, financial and real estate assets, La Française has developed a multi-boutique model to serve institutional and retail clients in France and abroad.

La Française, aware of the importance of the extensive transformations occurring in our increasingly digital and connected world, has created an innovation platform which brings together the new activities identified as key businesses of tomorrow.

La Française has 51 billion euros in assets under management as of 31/10/2020 and has operations in Paris, Frankfurt, Geneva, Hamburg, London, Luxembourg, Madrid, Milan, Hong Kong and Seoul.

La Française is a subsidiary of Caisse Fédérale de Crédit Mutuel Nord Europe (CMNE). Crédit Mutuel Group, Standard & Poor's credit rating (4/2020): Long term: A, negative outlook / Short term: A-1.
